## One Month Closer to Spring!

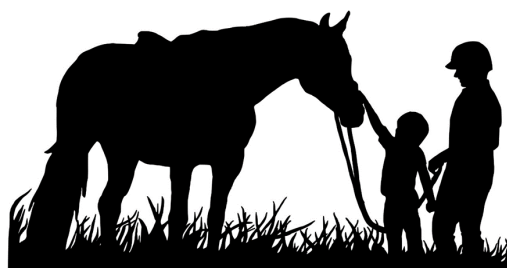

Let's take this time to sit and think about what we would like to do with our four-legged family members in the warmer months!! As we prepare to wear our horses fur how can we help them in this process as well?

Does anybody have some amazing new ideas?

Our chapter is still working on some new amazing events for our region.

We currently have 33 members and growing!

We strive in helping and educating our equine community!
