EASTERN HUDSON VALLEY HORSE COUNCIL

Newsletter

March has come in like a lion, and so has our chapter!

We held our 2022 Show Series Awards Brunch this month and everyone had an amazing time. We are so proud of all our riders and cannot wait to see everyone again this year! Our 2023 Show Series will have 8 shows at 3 different locations and one hunter/pace. Our first horse show is on May 6th at Lucky Star Stables.

Dr Andrea Sotela, speaking on Horse Emergencies, will be our guest speaker for our March Meeting on March 28th at 7:30pm at Cider Bros Roadhouse.

Our first Horsing Around with Eastern Hudson Valley Horse Council, held at High View Show Stables was a hit! All the kids and parents had a blast! The stable even picked up a student out of the event. We are here to help our equine community in so many different ways. We are so happy to see we are already making a difference for both the barn and the kids that attended! We have five more Horsing Around events scheduled, with our next one being on March 26th at Sky Blue Stables!

HAPPY SHEDDING SEASON TO ALL!!!
